

# Global Careers Panel Series

**UCDAVIS**  
CAL AGGIE ALUMNI  
ASSOCIATION

  
UCDAVIS  
Global Affairs

The [Cal Aggie Alumni Association](#) (CAAA) is committed to supporting the professional development of Aggies no matter where in the world they are. CAAA has partnered with [International Development](#) and [Global Affairs](#) to present our Global Careers Panel Series. Alumni, students, parents, and friends are invited to join us as we learn from leading professionals about what it takes to build a successful career in their region of the world. The panels will be recorded. **If you are not able to join us during the panel, be sure to register so you can get a recording of the panel sent directly to your inbox.** Zoom information will be provided to registrants. Details about the series can be found on the [Global Careers Panel Series](#) event page. See below for information about individual panels. **Please invite donors that might be interested.**
