Auditorium, Room G300
2825 50th Street, Sacramento 95817

*The **Racial Healing Circles** are presented by the UC Davis CTSC Community Engagement program and its Research and Education Community Advisory Board. The events are funded with a 2017 UC Davis Diversity and Inclusion and Innovation grant and modeled after activities organized by [Attitudinal Healing Connection](#), an Oakland-based organization that defines racism as a "life-threatening disease" and is devoted to building strong, healthy communities.*
