in the College of Biological Sciences

AND

DEVIN HORTON, PhD

UC Davis Graduate Diversity Officer for STEM disciplines

Addressing the leaky pipeline in academia in the context of COVID-19 and afterwards

How has COVID changed how we interact? How does it affect
minorities? How might this change how we interact in the future?

FRIDAY JUNE 5 1PM - 3:30PM
Register now via [Eventbrite!](#)

Summit will take place over Zoom, event links will be sent via Eventbrite.
Everybody welcome!
