SUBJECT: CALL FOR NOMINATIONS

Nominations are being requested to help identify individuals deserving special recognition through a campus wide award program. The *Chancellor's Achievement Awards for Diversity and Community* were established to honor achievements that contribute in substantial ways to the development and well-being of our diverse and evolving community. UC Davis faculty, staff, and students, and local community members are eligible for an award in any of the following categories:

- * Exemplary service that embodies the Principles of Community through outstanding leadership in areas of social and/or cultural understanding, local or regional community involvement, and/or collaborations leading to increased knowledge or expertise in areas of special interest to the campus;
- * Outstanding efforts toward achieving and/or advancing a diverse and principled academic community, including exemplary service in the areas of student, staff, and faculty recruitment and development;
- * Exemplary scholarship having a major impact on community and diversity;
- * Exemplary contributions to the success of campus-based outreach efforts;
- * Exemplary service to the campus and/or community through active leadership, involvement in pre-college partnership initiatives, etc.

Selection factors will include, but not be limited to relative impact of each nominee's contribution to diversity and community for the campus and/or community as a whole; relative merit of contribution to a critical area of diversity and/or community; length/duration of contribution; and potential of award to model exemplary service for others (for example, increasing the pool of diverse applicants among student, staff, and faculty ranks; increasing understanding of the role of diversity in education; service and commitment toward building campus-local community relationships; or introducing diversity and community-related curricula in subject areas where such material is not normally featured).

Seven awards are available, one to a member of each of the following constituencies: Academic Senate, Academic Federation, Staff, Graduate Students, Post-docs, Undergraduate Students, and members of the local community. The award recipients will receive a monetary prize and they will be honored at a special reception held in Winter Quarter. Please [click here](#) to submit a nomination application.

Please submit all nominations **no later than Monday, November 30th by 11:59PM**. For questions contact Avaeta Ahluwalia at occr@ucdavis.edu.
