### **RE: Call for Nominations of the Calvin E. Handy Leadership Award**

The Calvin E. Handy Leadership Award is a crime prevention and public safety award that recognizes individuals based on community oriented engagement and activities that are collaborative, cooperative, and proactive. This award highlights the importance of maintaining an environment where safety is essential to the successful mission of UC Davis, UC Davis Health and its surrounding communities. The goal of the leadership award is to promote safety and security by recognizing individuals and/or organizations on the UC Davis campus, UCD Health campus, or the surrounding communities for their contributions toward safety. The award was developed by members of the campus community to honor Chief Emeritus Calvin Handy's legacy of public service and leadership, and his outstanding record of engagement and relationship building.

- Recipients will be honored at the annual *Soaring to New Heights* celebration on **Wednesday April 8, 2020, in the ARC Pavilion.**

We encourage nominations from the campus and surrounding community. Some eligible individuals or organizations include school crime prevention programs, sexual assault education programs, child safety programs, family shelters, elderly care programs, medical clinics and hospitals, diversity and culture based programs, emergency management programs, charitable and non-profit organizations whose mission promotes a safe and secure environment, and media organizations who use their outreach capability to promote public safety.
