Faculty Director for the Center for the Advancement of Multicultural Perspectives on Science (CAMPOS):
UC Davis

General Background of position

The University of California Davis seeks a visionary academic leader for the position of Faculty Director of the Center for the Advancement of Multicultural Perspectives on Science (CAMPOS). The Faculty Director position is a 50% appointment that entails a commitment of one year (with the possibility of renewal).

With substantial financial support from UC Davis, the National Science Foundation ADVANCE grant (originally awarded in 2012) established CAMPOS to transform the face of and perspectives on science among the ladder-rank faculty at UC Davis. A team of committed faculty at UC Davis embarked on a visionary mission to expand the presence of women and underrepresented faculty in STEM. The ADVANCE grant initially prioritized the hiring of UC Davis faculty whose exceptional contributions to STEM research, teaching and service, addressed issues affecting Latinas in STEM. Over time, the vision grew to include all underrepresented voices to change the face of STEM faculty. CAMPOS has moved from its original home under the ADVANCE grant to operate as a joint program of the Office of Diversity, Equity and Inclusion and the Office of the Vice Provost for Academic Affairs.

To date, twenty-five exceptional ladder-rank faculty comprise the CAMPOS faculty scholars and another twelve are part of the broader CAMPOS affiliate community. While making substantial contributions to excellence in research, teaching and service in STEM, these scholars are transforming the face of STEM faculty in higher education.

CAMPOS aims to create a community of scholars at UC Davis committed to the advancement of multicultural perspective on science. CAMPOS supports the progression of CAMPOS scholars and honors and celebrates their contributions while also creating supportive learning communities and spaces where collaboration and innovation can thrive.

To date, CAMPOS activities and programs have included:

1. CAMPOS Induction Ceremony
2. CAMPOS Launch Committees
3. CAMPOS Research Colloquia and other Networking Events
4. Community Engagement Programs, e.g., participation in the Cesar Chavez Youth Leadership Conference
5. Leadership 1: Preparing for communication with government representatives
6. Leadership 2: Preparing for merit review
7. Leadership 3: Preparing for promotion review/tenure

The new Faculty Director will have the opportunity to shape CAMPOS based on their vision with input from CAMPOS scholars.
